

REMARKS

Applicant has noted the objections raised by the Examiner and has modified the claims in order to overcome those objections.

In response to claims 6-10, 14, 19 and 20, the Examiner has indicated that these claims would be allowable if placed in independent form including all the limitations of the claims and any intervening claims. The aforesaid claims have been so amended. Accordingly, allowance of Claims 6-10, 14 19 and 20 is respectfully requested.

Respectfully submitted,

Robert S. Beiser
